

**SPECIAL OFFER**

16 October 2013

## Buy One Spectrometer, Get One FREE

For a limited time, **Warsash Scientific** in conjunction with **StellarNet** are offering incredible savings on all dual spectrometer systems that include a UV-Vis and NIR spectrometer. Buy a DWARF-Star NIR spectrometer (900-1700nm) and receive a BLUE-Wave-VIS spectrometer FREE! Or, buy the extended range RED-Wave-NIRX-SR spectrometer (900-2300nm) and receive a BLACK-Comet-SR UV-VIS Spectrometer FREE! Popular configurations are below:

### Dual SpectroRadiometer VIS-NIR (350-1700nm)

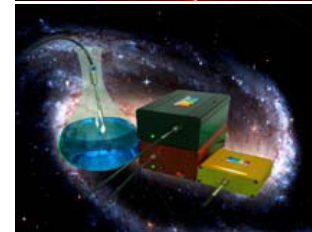

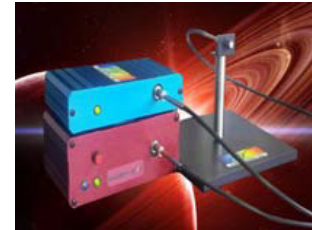

BLUE-Wave-VIS spectrometer (**FREE**)  
DWARF-Star NIR spectrometer  
F600-Y-VISNIR fibre optic cable  
CR2 cosine receptor  
CR2-Tripod  
IRRAD-CAL + IRRAD-CAL-NIR

### Dual UV-VIS-NIR System for Chemical Absorption (200-2300nm)

BLACK-Comet-SR Spectrometer (**FREE**)  
RED-Wave-NIRX-SR Spectrometer  
SL5-CUV  
F600-Y-UVVISNIR

### Dual VIS-NIR System for Transmission of Optics (350-2300nm)

BLACK-Comet-CXR-SR Spectrometer (**FREE**)  
RED-Wave-NIRX-SR Spectrometer  
SL1-Filter Visible Light Source  
F600-VISNIR Fiber Optic Cable  
F600-Y-VISNIR Y Fiber Optic Cable  
TXF-4 Transmission Fixture

Offer is strictly limited until 31 December 2013 or until stocks last. For details, pricing and more information, contact Warsash Scientific on +61 2 9319 0122 or [sales@warsash.com.au](mailto:sales@warsash.com.au).
